

IBTC PRESENTS: YOUNG ADULTS CAMP

The One4All Young adults camp is organised by the IBTC for young people from the UK and all over Europe between the age of 21 and 26. The camp is a great opportunity to meet with God, explore meaningful questions about who we are, what discipleship for a young person today looks like. At the same time you can connect with people with different cultures and nationalities. In order for this to be possible, the camp activities will all take place in English and a fair knowledge of the language is required to be able to attend.
